

## Popular Wine Rally – Sainte-Victoire

September 6, 2015 by [aixcentric](#)

*This event, being held this year on Saturday 17th October, gets booked up early so don't delay!*

2015 sees the 10th anniversary of the awarding of AOP to this attractive area which you will explore as you drive from cave to vineyard following clues – **you do need a fluent French-speaker in the car.**

Everyone ends up at a central cave or co-op where a *cocktail dinatoire* will be waiting, together with a bottle of wine for each adult participant.
