Sainte-Victoire Wine Rally

September 8, 2017 by [aixcentric](#)

A heads-up this morning for this popular event on **Saturday 21st October**.

It started 16 years ago to promote the various vineyards in the **Sainte-Victoire** area which had just been awarded its AOP. It's an attractive area which you will explore as you drive from *cave* to vineyard following clues – **you do need a fluent French-speaker in the car**.

Everyone ends up at a central *cave* or co-op where a *cocktail dinatoire* will be waiting, together with a bottle of wine for each adult participant. Details on <http://www.vins-sainte-victoire.com/fr/rallye-decouverte-des-vins>

Early booking essential as it quickly sells out.
